Re: Updates for Infinite Campus, Progress Reports, and Parent Portal

Dear Bulldog Parents, Students, Faculty, and Staff:

Faculty and Staff have been working diligently to make the transition to Infinite Campus as smooth as possible. As we near our first Progress Report, please understand that the grading system is still under construction. When logging in to Parent Portal, you may temporarily see missing or inconsistent grades for your students. This is because we are working to correctly build the grading formulas so the grades and credits are accurate for all students. To allow adequate time for the construction of the grading system, the first Progress Report has been delayed one week. **Progress Reports will be released on Thursday, September 21.**

Once we have verified the grading system is working correctly, there should be no more delays for the remainder of the school year. We appreciate your patience as we work to align Infinite Campus with the unique needs of our district.

Regards,

Dr. Eric Hoyt
